AAIMS SCHOOL OF MEDICINE

The All American Institute of Medical Sciences (AAIMS) was chartered by the government of Jamaica in May 2009 and also approved by the Ministry of Education of Jamaica to confer the Doctor of Medicine (MD) degree.

AAIMS campus located in Black River, the town of St Elizabeth, Jamaica is situated on about five acres of land overlooking the Caribbean sea. It provides on-campus accommodation, Wi-Fi connection, a swimming pool, gym, tennis and basketball courts. Jamaica is about 1 hour flying distance from Florida, USA.

Mission

Coordinate resources necessary to deliver excellent medical education leading to generating physicians that will serve the community & to form lifelong learners committed to excellence, faith, leadership & service.

Vision

Attain International reputation as an outstanding medical institute distinguished by excellence, leadership, research & innovation in the quality of our teaching in student learning & achievement and in engagement with our communities.
