Why Study in Philippines?

Medium for Learning English

- Philippines is the largest English Speaking country in Asia and third largest English-speaking country in the World. English is used as a medium of instruction in higher education and that's why Filipinos are considered as one of the most competent English speakers.
- Literacy rate is more than 93%.
- English is a official language of Philippines in addition to Filipino.
- Philippines as being former colony of USA and more than 92% people speaks English
- Philippines follow the American education system and the medium of teaching is English
- Student interact with patients in English.
- Since English is language of communication and language of instruction in universities , no need to learn another language to talk to patients.

Study Abroad

Why Study in Philippines?

US System of Education

- Doing MD from Philippines after 12th, students get dual degree (BS & MD)
- Education system similar to that of USA. American Style PBL Curriculum. Easy to get through USMLE. Many toppers go to USA from Philippines.
- Medical universities are listed in the world health organization (WHO) Geneva, FAIMER etc.
- Recognized by Medical Council of India (MCI)

Centre for Higher Education

- The Philippines attract student from more than 55 countries. Student from the United states , Europe, Singapore, Malaysia, Taiwan, Thailand, Hong Kong are also studying in Philippines
- Many universities are having tie-ups with US medical colleges for clinical clerkship/rotation accommodation, later help in getting job in USA after graduation.
- Philippines have Top renowned universities Worldwide.
- Great training and clinical experience for student.
- Philippines Medical Colleges are having excellent trek record. Over 90% success rate of MCI test. Very high success rate in USMLE

Climate

- Tropical country with disease common in India such as Malaria Typhoid etc.
- Weather is tropical like in India and temperature ranges from 21 to 35 degree centigrade.
- By and large temperature remains between 28 to 32 degree centigrade through out the year.

Course Duration

- MD course takes 4 Years after BS or Graduation
- BS-MD course takes 6 Years after 10+2

Affordability

- Affordable overseas degrees and tuition fees
- Economical accommodation and living expenses
- Excellent and comfortable boarding facilities
- Affordable medical and dental expenses
- Inexpensive travelcost
- Student-assisted visaapplication

Transport

Philippines is well connected to all major cities of the world and has three international airports at Mania, Cebu & Davao. Manila has various means of public transport system in the form of Buses, Metro rail, sharing taxis (Geepneyes), Taxis etc

About Philippines

The country boasts of a unique identity that is mixture of different cultures and communities from western as well as its neighboring eastern countries. Philippine culture shares a lot of similarities with western culture as it was occupied by Spain for around 300 years and the United States for about 50 years. Filipinos are known for their Hospitality.

About OLFU

The year 1967, marked the auspicious beginnings of what is to become a premier educational institution in the country particularly in field of medicine, nursing, and paramedical courses.

OLFU(Our lady of Fatima University) is one of the Philippine's most distinguished centers for medical education and fulfils its commitment to produce world class medical practitioners.

Fatima university medical center:
