

UKRAINE

Ukraine is a large country in Eastern Europe known for its Orthodox churches, Black Sea coastline and forested mountains and its capital is Kiev. The country is appointed as the 8th most popular place for tourists visiting in Europe by the World Tourism Organization. It is the heart of Europe by its position; it is a crossroad point between Central and Eastern Europe, North and South.

Ukraine is a multinational country, you can find all possible kind of meals, from all different nationalities and recipes. Apart from this, Ukraine offers high quality education supported by the fact that Ukraine actually produces the fourth largest number of post-secondary graduates in Europe. Due to this fact most of the international students attracts towards the Ukrainian Universities for their further studies.

The official state language of Ukraine is Ukrainian apart from this you can see a lot of people speaking Russian, particularly in Eastern and Southern Ukraine. Also, English language is very developed in Ukraine.

CLIMATIC CONDITIONS :

The climate in Ukraine is dry and continental which is influenced with warm, dry summers and mild winters. The most comfortable weather is during the May-September period, when days are warm and the nights are cool and January is considered to be the coldest month in a year with daytime temperatures around 0°C. The climate of Odessa is practically ideal, with the soft tang of the sea mixing with the dry climate of the steppe further inland.

Ukraine is a unique country with a lot of attracting places for visitors, Khortytsia is one of them. It is the largest island in Ukraine on Dnipro River. In 1965 the island became a National Nature Reserve, open for visitors to visit all year round. Every year lots of people visit this place to enjoy its beauty. The island is 12 km long and 2.5 km wide, and covers an area of over 3000 ha. Related to the history of the Zaporozhian Cossacks' decreed the island to be a historical – cultural preserve.

ABOUT ONMU

ONMU (Odessa National Medical University) is one of the leading medical universities in Ukraine which is established in 1900 as the medical faculty of the Novorossiyskiy State University in Odessa, and it's managed to survive the difficult and turbulent period of the early years of the Russian revolution. After the collapse of the Soviet Union, it became Odessa State Medical University in an independent Ukrainian Republic.

The University is a member of the International and European Association of Universities. Due to its high standards of training the institution is well recognized throughout the Europe and America. The level of training of students and specialists is close to world standards. Also, the University offers courses in English, Russian and Ukrainian languages for foreign students.

The University is located at Odessa city - the 3rd largest city in Ukraine along the Black Sea, and the most important city of Ukraine for trade. Odessa is referred to as the "Pearl of the Black Sea".

COURSE DURATION :

The duration of the course is 6 yrs and the programs are taught in English language. After 6 yrs the students has been awarded with a Doctor of Medicine Degree. At the University, the academic year is divided into two semesters. First semester starts on the first of September and lasts till the last week of January. The second semester starts in the first week of February lasts till mid of June. The University is fully recognized by the MCI i.e. Medical Council of India and provides quality of education to the students.

LIBRARY : Among the main achievements of the last decade of the University is the creation of the Electronic Student Library and the entry into the Corporate System of Medical Libraries of Ukraine. The University Library is the leading scientific information and education center of the University, which has over 830 thousand documents in various languages. An important part of the library's current library is 4,000 electronic editions.
