UKRAINE :

Ukraine is a large country in Eastern Europe known for its Orthodox churches, Black Sea coastline and forested mountains and its capital is Kiev. The country is appointed as the 8th most popular place for tourists visiting in Europe by the World Tourism Organization. It is the heart of Europe by its position; it is a crossroad point between Central and Eastern Europe, North and South.

Ukraine is a multinational country, you can find all possible kind of meals, from all different nationalities and recipes. Apart from this, Ukraine offers high quality education supported by the fact that Ukraine actually produces the fourth largest number of post-secondary graduates in Europe. Due to this fact most of the international students attracts towards the Ukrainian Universities for their further studies.

ABOUT KMU

KMU (Kyiv Medical University of UAFM or Kiev Medical University of UAFM) is located at the capital city of Ukraine i.e. Kiev. It is a Ukrainian Higher Learning Institution which was established in 1992 by Dr. PokanevichValeriy. The University with an excellent record of success and establishment is one of the premier medical institutes of Ukraine and as of August 2014, about 1000 foreign students study at KMU.

The Kyiv Medical University of UAFM is accredited by the Ministry of Education and Science of Ukraine with Level IV the highest level of accreditation for a higher educational Institute in Ukraine and all degrees issued to foreign students are legalized and apostatized by the Foreign Affairs Ministry of Ukraine.

As the University is situated in the capital of Ukraine you will be fascinated by the beauty of the ancient city of Kyiv, friendliness of its inhabitants, can get to know the unique Ukrainian culture – an integral part of the European Community.

The mode of study in the University is Russian, English and Ukrainian Languages.

COURSE DURATION :

The undergraduate course at KMU takes 6 years and the successful student is awarded a medical degree for MD (Doctor of Medicine) or MBBS.

During the initial stage students are taught the basic fundamentals of medicines. Students begin their clinical studies from second year. The University graduating certificates are attested by the Ministry of Defense of Ukraine. The University recognized as a higher medical education institute by the World Health Organization (WHO) and is listed in the World Directory of Medical Schools, The IMED (The International Medical Education Directory) and The Avicenna Database thus making the qualification offered by the university recognized all over the world.
