

YEREVAN STATE MEDICAL UNIVERSITY
AFTER M. HERATSI
(YSMU)

ARMENIA

Armenia is a country in the South Caucasus region of Eurasia. It is bordered by Turkey to the west, Georgia to the north, the de facto independent Republic of Artsakh and Azerbaijan to the east, and Iran & Azerbaijan's exclave of Nakhchivan to the south.

Yerevan is the capital city of Armenia. It is popularly known as “City of Fountains” and also as “Rosy Colored City”, as its buildings are made of pink stones in different shades. Yerevan is a modern developed city with a safe & secure environment. It is the largest city of Armenia and is situated along the Hrazdan River. The city is fast becoming a major tourist destination thanks to its numerous landmarks, extensive nightlife, lovely parks and great museums.

The History Museum of Armenia has a collection of over 400,000 objects and is arguably the best museum for those that want to learn more about the city, as well as the entire country.

RELIGION :

Armenia was the first country in the world to adopt Christianity as a state religion at 301AD. The religion has been uninterruptedly practiced in Armenia ever since in its own traditions and the Apostolic Church is the national church of Armenia.

CLIMATIC CONDITIONS :

The climate in Armenia is markedly continental meaning that Armenia is subjected to hot summers and cold winters. Summers are dry and sunny, lasting from June to mid-September. Springs are short while autumns are long. Autumns here are known for their vibrant and colorful foliage. Winters are quite cold with plenty of snowfall and temperatures ranging between -10 and -5 °C (14 and 23 °F).

ADVANTAGES OF STUDYING MEDICINE FROM ARMENIA :-

1. As the University is recognized by MCI so after completing the education students can practice in India
2. Both tuition fees and cost of living are low and affordable.
3. The language of instruction in the University is English
4. No IELTS/TOEFL is required
5. The colleges offer training in USMLE and PLAB which will enable students to practice in UK or the USA.
6. Indian mess and Indian restaurants are available in Yerevan, so the students never face any problem related to food.
7. The quality of education in Armenia is at par with countries like UK, USA and India however at a lower price.

ABOUT YSMU

YSMU (Yerevan State Medical University) is a Government University functioning under the Ministry of Education and Science as a state non-commercial body. The Yerevan State Medical University is recognized worldwide and is located at Yerevan the capital of Armenia. The medical faculty of Yerevan State University was founded in 1920, and in 1980 it received highest award for training highly qualified specialists and for its great contribution in the field of public health. The Medical University's campus of the University is located in the center of the city, Koryun Street. It has four buildings: Main, Administrative, Laboratory, and Anatomical. Earlier it was called as the Yerevan State Medical Institute but in 1995 the Institute was reformed into the University and renamed as Yerevan State Medical University after Mkhitar Heratsi – the Great Master of Medicine.

COURSE DURATION :

The duration of the course is 6 yrs and the programs are taught in Armenian and English language. The University occupies two hospital complexes, where students get valuable, and real-life experience. "Heratsi" N1 hospital complex and "Muratsan" University Hospital provide students an opportunity to get experience in clinics, polyclinics, laboratories and diagnostic centers. More than 7000 future doctors currently study in the University. 24% of these students are international students from 26 countries all over the world.

Over 1000 Indian students are currently pursuing their graduate and post-graduate courses. Regular Indian batches since 1987 and over 90% of the Indian students of the previous batches of YSMU have cleared the FMGE 'Screening Test'.

ACCREDITATION :

The Yerevan State Medical University (YSMU) is fully recognized by :

- Medical Council of India (MCI) Act of 1956 (Gazette of India, Part II, S.1, Extra, S. No. 83, dt. 31/12/1956)
- And Enlisted in the Directory of Higher Medical Institutions adopted by the World Health Organization (WHO)

HOSTEL : The University Hostel established for foreign students is composed of two buildings. The Hostel provides adequate facilities necessary for residing, studying and recreation activities. Separate hostels wings are provided for boys and girls on sharing basis. International hostels are furnished with basic amenities and are centrally heated. The Hostel provides first aid and medical care on a 24-hour basis. The hostels are conveniently located at walking distance of 2-3 min from the bus stop where students can catch comfortable buses and mini-buses to the University.
